HELLO!

With over 9 years of experience in the IT industry, I bring a versatile skill set that spans technical support, Active Directory administration, cybersecurity, project management, and governance, risk, and compliance (GRC). I have successfully transitioned to a Senior iOS Developer role while continuing to excel in project management. My commitment to ongoing education and a strong foundation in IT make me a valuable asset to any team. I am now eager to apply my expertise in a collaborative and dynamic environment to drive innovation and deliver results.
